EALA 7th Copenhagen Air Finance Legal Seminar

Dear friends,

As many of you are aware of, the European Air Law Association hosts its 7th Copenhagen Air Finance Legal Seminar on **1 June 2018**, starting with a dinner on the evening of **31 May 2018**.

This year, we had to move the seminar out of the usual Hotel Skt. Petri and it will instead be held at the offices of Gorrissen Federspiel in the new spectacular building Axel Towers just next to the Tivoli Gardens in the middle of Copenhagen, with Tivoli Hotel as the conference hotel.

We have put together quite an interesting programme with highly esteemed air finance experts who will share their expertise and experience with the delegates. The programme is currently being finalised with the last details and will include the below.

- **Cape Town, what's new**
Moderated by Phil Durham, Holland & Knight, New York
Phil moderates a panel of experts on the Cape Town Convention and will be centering the panel discussion on opinions, novations and repossessions/insolvencies.
- **Air debt – the risks, the structures, the documents**
Moderated by David Bartlett, GECAS and PK AirFinance, Luxembourg
David has put together a great panel which will deal with various air finance debt structures.
- **Air finance and leasing, current issues**
Moderated by Gavin Hill, Vedder Price, London
Gavin moderates this recurring panel on topical issues in air finance and leasing.
- **Other topics of the day will be finance relevant insurance matters and a case study**

Register now by using the attached registration form where you will also find information on the seminar fee. Please note that the seminar fee includes the pre-seminar dinner on the evening of 31 May 2018.

Furthermore, please book your hotel room at your earliest convenience.

Reservation details follow below. We avail ourselves of Gorrissen Federspiel's discount arrangement with Tivoli Hotel, so please make sure to follow the booking instructions in order to get the discounted price.
